The Celebration Choir will share with you the Christmas Story through song. "Christmas isn't just a warm nostalgic tale. It's the Word-became-flesh. God-coming-to-rescue-us story. To the non-believer and the skeptic, we say this is a story that really happened on an incredible night long ago. To the searching and the desperate, we say that this ancient story can make a difference in every life today. To those who believe but may have become numb to the miracle, we encourage them with this: Christmas is Real. There is real JOY, HOPE, and LOVE that are available to all of us right here and now." Please worship with us as the Choir takes you on a journey through Chapter One of the story: "(Christmas is) Real Joy"
