

Monday Night Classes begin October 16th

Roman's class continued in room 124-126 - facilitated by Harvey Dease

Follow Me class in room 117 - facilitated by Martin Dierx

When Jesus says, "Follow Me," it's not an invitation to say a prayer, it's a summons to lose our lives.

This study by David Platt answers this by taking you on a journey to see that the invitation to follow Him is an invitation to a relationship. It's a relationship marked by self-denial, personal intimacy, single-minded ambition, and ultimate joy. In following Him, you will find the purpose you were created for which is to bring glory to God by sharing the Gospel and to make disciples who make disciples.

Wednesday Night Class begins October 18th

Experiencing God class in room 117 - facilitated by Pastor Billy Pruitt

Through examination of biblical and contemporary illustrations, participants will understand and apply seven realities of experiencing God. Members will learn to:

- know when He is speaking to them
- recognize His activity around them
- adjust their lives to Him and His ways
- identify what He wants to do through them
- respond to His activity in their lives.

Churches will be helped to better function as the body of Christ, as members understand how to experience God as a church.
